SUBJECT: RULES FOR PERSONNEL ADMINISTRATION

Chapter 284 of the Nevada Administrative Code, Rules for Personnel Administration, has been updated and reprinted. As such, we are sending you a complete set of updated rules for each person on your agency's distribution list. Also enclosed is an amended table of contents. Please remove the table of contents from the new volumes and replace it with the amended version.

It should be noted that the most recent regulation revisions which became effective as of September 27, 1999, and January 26, 2000, appear in bold type in the table of contents as well as the relevant administrative code. In addition, the cited Nevada Revised Statutes have been updated to reflect revisions resulting from the 1999 Legislative Session. Finally, you may also want to be aware that the updated rules can be accessed via our website (www.state.nv.us/personnel/).

Future revisions to these rules will be sent to your attention for distribution within your agency. If there are any changes in the number of copies you require, or if you have questions regarding the enclosed regulations, please contact Phil Hauck at 684-0130.
